'CALIFORNIAN CONSTRUCTION' GIVES HARD-WEARING STYLE AND
COMFORT-PLUS...

- Now we've added 'Air System' soles, these nubuck leather casuals are
the complete answer for total walking comfort

LIGHTWEIGHT SUMMER COMFORT IN THREE STYLES OF NUBUCK
LEATHER CASUALS

- We've twinned 'Californian Construction'
with 'Air System' soles for casual style and comfort-plus!

(Panel 1)

'AIR SYSTEM' SOLES

With pockets of air packed into the sole, walking takes on a new, more comfortable dimension. Combined with the single-seam design of Californian Construction', these shoes provide the highest levels of comfort for all types of foot.

(Panel 2)

'CALIFORNIAN' CONSTRUCTION

Single-seam stitching brings together the uppers and thick cushioned in-sole. That means no hard seams underfoot and maximum comfort in a flexible, harder wearing shoe.

MIRACLE 'MICROFIBRE' SUEDE

- Its soft, natural texture 'breathes' to keep feet sweet - and has the looks that last for longer

SOFT YET DURABLE 'MICROFIBRE' SUEDE

- Its natural texture 'breathes' to keep your feet sweet - all day long!

THE MICROFIBRE SUMMER MIRACLE!

- Its soft, natural texture 'breathes' to keep your feet dry and comfortable - all summer long!

(Panel)

MICROFIBRE UPPERS

Soft and supple to the touch, Microfibre has the natural texture of suede - yet keeps its looks for longer. Microfibre is washable and colourfast - and because it is 'breathable', feet stay fresh, odour-free and comfortable all day long.

(PAGE 12 - PANEL)

SPRINGERS/SHOCKERS

You'll find a clever little button in the heel of every 'Springer' shoe. Its job is to absorb the bumps and bangs that can make walking uncomfortable. With every step you take in a pair of 'Springers', you will notice that the impact is cushioned and spread to relieve the pressure on both your feet and back.

(PAGE 13 - PANEL)

LYCRA VAMP

An elasticated Lycra vamp provides exceptional levels of comfort, especially for wider feet. Lycra is soft to the touch, yet durable and water-resistant. And although highly flexible, Lycra will retain its shape so the shoe will return to its original styling and good looks.

(PAGE 14 - PANEL)

DUROLAC

Our soft and comfortable Durolac linings keep feet dry and cool by drawing moisture away from the skin. With Durolac, you can say good-bye to foot odour and look forward to a relaxing summer ahead!

(PAGE 15 - PANEL)

NEW FEATHER-'LIGHTS'

A new range of footwear featuring an extra-light man-made sole that is both flexible and slip-resistant. The multi-layer reinforced leather heel is carefully designed for maximum support and comfort, whilst a towel lining throughout absorbs moisture for dry, cool and enjoyable wear.

California Sandal (F056)

Good looks combine with comfort and quality in this peep-toe sandal with adjustable buckled slingback design. The smart leather upper features an interlaced vamp whilst Californian Construction provides the comfort of a cushion contoured footbed, with padded sock and sturdy, slip-resistant wedge heel.

(PAGE 5)

Sandal (F802)

An unusual and appealing summer sandal with sturdy strippy uppers comprising canvas and leather-effect instep, adjustable ankle-strap and stud strengtheners. Lightweight comfort is completed with a cork-effect insole. Attractive man-made polished heel and sole unit. Man-made upper.

Sandal (F808)

A stylish fashion accessory in a choice of gold or brown leather uppers with a cross-over vamp and cut-away perforated side quarters. The slingback design is elasticated at the heel for easy-fitting comfort. Polished wedge heel and

(leather?)-covered insole. Man-made sole. Leather upper.

(PAGE 6)

T-bar Sandal (F109)

Distinctive styling comes in a choice of three shades of nubuck leather upper, whilst comfort is assured with the soft-tread cushioned sock and an adjustable buckled backstrap. Man-made sole. Leather upper.

(PAGE 9)

Wavewalker Shoe (F588)

Moccasin-style casual slip-on with leather upper and our 'hi-comfort' Wavewalker sole. A concealed elasticated instep gives a gently comfortable fit. Leather upper and man-made sole.

(PAGE 11)

'Air Comfort' Tie Shoe (F063)

The decorative stitched vamp is an attractive feature on the nubuck leather upper of this two-eyelet lace-up. Its 'Air Comfort' sole is complemented with a padded leather sock and arch support for an agreeable walking experience. Leather upper and man-made sole.

'Air Comfort' Gusset Shoe (F065)

The elasticated side gusset gives this shoe its elegant, smooth looks and easy slip-on snugness. A soft and comfortable nubuck leather upper has ideal partners in our cushion-tread 'Air Comfort' sole, padded leather sock and full arch support. Leather upper and man-made sole.

(PAGE 13)

Lycra Tie Shoe (F090)

It's the elasticated Lycra vamp that makes this lace-up shoe so comfortable! Feel it stretch with your foot - yet return to its original shape after wear. Step out in style every time, complete with air-cushioned sole and cushioned sock for extra comfort. Leather-trimmed upper with water-resistant stretch Lycra vamp. Man-made sole. Wide fitting.

Lycra Gusset Shoe (F091)

An extra-comfortable slip-on with elasticated stretch Lycra vamp that fits your

foot like a glove yet keeps its shape after every wear! Firmness you will welcome comes with stylish leather quarter panels whilst air-cushioned soles and cushioned sock add up to the softest tread yet! Leather and man-made upper in water-resistant stretch Lycra. Man-made sole. Wide fitting.

(PAGE 15)

Velcro 'Light' (F062)

This 'light as a feather' slip-on has an adjustable Velcro strap fastening and comfortable soft-leather upper lined with moisture-absorbing towelling to keep feet cool and dry whatever the weather. The specially designed heel is layered for comfort and support whilst the cleated extra-light sole is durable and slip-resistant. Leather upper. Man-made sole.

Tie Shoe 'Light' (F066)

A classic design lace-up with an extra-lightweight heel and sole unit, specially designed for hard wear, comfort and support. The soft leather upper has stitch detailing and is towel-lined to keep feet fresh and dry in all conditions. Slip-resistant man-made sole. Leather upper. Wide fitting.

Gusset Shoe 'Light' (F069)

Good-looking and lightweight too! This slip-on casual has a stitch-detail soft leather upper with concealed elasticated gusset. Towel lining absorbs excess foot moisture whilst the super-light sole unit allows you to walk on air in total comfort! Leather upper. Man-made sole.

(PAGE 19)

Interlaced Tassel Shoe (F082)

Cleverly interlaced leather upper with fancy tassels give this stylish court shoe a distinctive character. Choose from three contrasting colour styles, each with comfortable low heel and wide fitting. Leather upper. Man-made sole.

(PAGE 20)

Suede Lace-up (F170)/Suede Slip-on (F171)

Moccasin-style stitch-detail features on the soft suede upper of this comfortable lightweight shoe. Take your pick from lace-up or slip-on. Both have an extra-flexible and slip-resistant sole. Suede-leather upper. Man-made sole. (Details of the men's version of the 'Suede Lace-up' can be found on Page 28)

Driving Shoe (F174)

Attractively designed in soft suede with a highly effective slip-resistant studded sole and heel for greater driving safety. This stitched moccasin slip-on has a comfortable cushioned heel and padded sock. Leather upper. Man-made sole.

(PAGE 21)

Canvas Gusset Shoe (F326)

This summer slip-on casual has a quality cotton canvas upper with attractive stitch-detail vamp. Integrated side gussets and padded sock give easy-fitting comfort, together with a sturdy and slip-resistant sole unit. Cotton upper. Man-made sole.

(PAGE 22)

Canvas Elasticated Shoe (F872)

It's cushioned comfort all the way with a padded cotton upper and padded inner sock. An eye-catching 'banded' vamp design is elasticated for easy casual wear, whilst the slip-resistant flat sole has a rope-effect design with summery outdoor appeal. Man-made sole. Cotton upper.

Canvas Slingback (F878)

Definitely a shoe for summer, the elasticated slingback design fits your foot so well - and the cushioned sock makes walking a pleasure! Added style comes with the rope-effect design on a wedge heel and sole unit that contrasts perfectly with three canvas-upper colour options. Slip-resistant man-made sole. Cotton upper.

Canvas Slip-on (F876)

Pretty and feminine, this rucked design peep-toe casual feels as good as it looks! Attractive rope-effect design detail on a sturdy wedge heel is partnered with a comfortable cushioned sock and slip-resistant sole. Cotton upper. Man-made sole.

(PAGE 23)

Canvas Deck Shoe (F375)

Look forward to a summer of colour in these easy-care lace-ups! They're fully washable - with removable sock - so you'll always look the part in light-hearted fashion where comfort comes as standard. Slip-resistant man-made sole. Cotton/canvas upper.

(PAGE 25)

Mule (F879)

All-leather comfort and style are the main features of this slip-on mule. From the perforated leather-upper design with its padded instep collar to the leather-padded sock and sturdy wedge sole, here is a versatile casual shoe you can wear anywhere. Slip-resistant man-made sole. Leather upper.

(PAGE 26)

Maintenance-free Shoe

Lace-up (F660)/Slip-on (F664)

A smart choice in two designs! Our classic slip-on and timeless 'Oxford' lace-ups both feature easy-care protected leather uppers and a specially designed leather sole with slip-resistant man-made inset. Quality continues with leather-lined uppers, comfortable padded collar and full cushioned sock. Leather upper. Leather and man-made sole.

(PAGE 28)

Men's Suede Shoe (F662)

A soft suede upper and extra-flexible sole give this moccasin-style casual the comfort you need in a lightweight summer lace-up. Slip-resistant man-made sole. Suede-leather upper.

(Details of the ladies' version of this shoe can be found on Page 20)

Men's Casual Shoe (F663)

A popular choice in reliable quality! Sturdy, comfortable lace-ups with stitch-down leather uppers and comfortable padded collar and cushioned sock. Cambrelle lining enhances 'breathability' to keep feet cool and dry, and for non-slip confidence there's a thick-tread slip-resistant sole-unit. Leather upper. Man-made sole.

(PAGE 29)

Canvas Gusset Deck Shoe (F790)

Canvas Lace Deck Shoe (F778)

Classic casual styling comes in a choice of slip-on or lace-up - each in two tasteful colours! These lightweight, extra-comfortable deck shoes have canvas uppers with a thickly padded collar, cushioned sock and springy, flexible and slip-resistant sole unit. Cotton upper. Man-made sole.

(PAGE 30)

Velcro Slipper (F471)

For the last word in creature comforts - take a look at these bootee-style ladies' slippers! Their padded cotton uppers and fully adjustable Velcro fastening bring you comfort-plus in a pleasing floral-design fabric. Fully washable. Textile upper. Slip-resistant man-made sole.

Ladies Slipper (F472)

Feel the 'purr' as your paws slip into these padded-cotton slippers! They're so comfortable - and the floral vamp design won't lose its bloom for wash after wash! Slip-resistant man-made sole. Textile upper.

(BACK COVER)

Shocker Sandal (F001)

Everything about this nubuck leather sandal points to comfort! From the three adjustable buckles to the 'spring-in-your-step' effect of its dual-density sole, together with a contoured leather sock and padded insock...why not make our 'Shocker Sandal' a summer treat for your feet! Leather upper. Slip-resistant man-made sole.

Shocker Mule (F002)

Like our super-comfortable 'Shocker Sandal', the 'Shocker Mule' has a soft and comfortable nubuck leather upper and a dual density sole to give you a light and springy lift into summer! Its attractive cut-away design includes an adjustable buckled vamp plus a contoured leather sock and padded insock for your all-round answer to stylish walking comfort.
